## **The Navajo Nation Health Command Operations Center reports 101 new COVID-19 cases, and no new deaths**

WINDOW ROCK, Ariz. – As of Sunday, the Navajo Nation Health Command Operations Center (HCOC) confirmed an additional 101 positive cases of COVID-19, bringing the total number to 2,474 positive cases on the Navajo Nation and a total of 73 deaths. A total of 14,351 COVID-19 tests have been administered with 9,254 negative test results.

The HCOC urges anyone who feels they might have signs and symptoms of COVID-19 to contact their medical provider immediately. The main COVID-19 signs are dry cough, fever, and shortness of breath.

If you are impacted by COVID-19 and need immediate essential items, such as food, water, or livestock feed, please call (928) 871- 6271.

For more general COVID-19 information, visit <https://www.ndoh.navajo-nsn.gov/COVID-19> or call the HCOC Hotline at (928) 871-7014.
